

Dorset Gardens Trust Schools Committee

e-newsletter

Hello!

Welcome to our first e-newsletter which we hope you will enjoy.

We have put together some ideas which you may find useful for your school garden and in future we would love to include some of your news and successes. Anything from a recipe for Tomato Chutney for a glut of home-grown tomatoes to ideas for planting would be most welcome. Photos too please!

The RHS has an excellent web-site to encourage school gardens, do check it out

Every June in Menton in France the **Gulliver Gardens Competition** takes place for all schoolchildren. We liked the idea of making a small garden in an old vegetable box, perhaps you could think of holding a similar competition.
